

## 12x60 Open Office

12x60 open floor plan office trailer is a single office with two entry doors.

Optional furniture package includes two full width built-in desks with file cabinet, drafting table, and a wall mounted plan rack.

A restroom with sink and toilet are available in most of our 12x60 office trailers. If water and sewer are unavailable, our Aqua Flush System is a perfect solution.

This unit is popular for construction site trailers, large meeting spaces, training rooms, special events offices, and temporary office space.
